

INTEGRATION STUDIO

**Seamless Integrations.
Maximum Flexibility.**

- Integrate Comerence seamlessly to third-party platforms.
- Access to both APIs (do-it-yourself) and Integration Marketplace (done-for-you).
- Scalable, secure, and ready to use.

APIs

(Do-It-Yourself)

Ultimate Flexibility

Create custom experiences for any workflow or system.

Automation & Control

Integrate with any system that supports API connectivity.

Custom Development

Power automation and workflow enhancements tailored to your needs.

INTEGRATION MARKETPLACE

(Done-For-You)

No Coding Required

Connect to platforms like Salesforce in just a few clicks.

Self-Service Management

Reconfigure, deactivate, or update integrations anytime.

Field Mapping Wizard

Effortlessly map Comerence data to external systems, including custom fields.

How It Works

GET STARTED

Choose either no-code integration or custom API for new integration

CONNECT & CONFIGURE

Activate integrations and map data fields in minutes

MANAGE & MONITOR

Update, troubleshoot, and control integrations from one dashboard

- Automate workflows
- Integrate with third-party applications
- Power custom development projects
