

COMPETITIVE TRADE BLOTTER & TBA TRADING INTEGRATIONS

**Streamline TBA Trading.
Eliminate Errors.
Trade with Confidence.**

How It Works

AGGREGATE

CompassEdge collects real-time pricing from integrated broker-dealers

COMPARE

Instantly spot the most competitive pricing and trends

EXECUTE

Make decisions and execute trades directly within CompassEdge – no manual outreach required

- Centralized trade execution and direct API integrations with broker-dealers.
- Instantly compare pricing and execute trades – no more delays or rework.
- Track trends and pricing over time for smarter trading decisions.

Competitive Trade Blotter

Collect, input, and compare broker-dealer pricing details – spot trends and track competitiveness.

Direct TBA Trading Integrations

Execute trades with integrated broker-dealers – no manual outreach or miskeyed details.

Seamless Data Management

Eliminate tracking outside CompassEdge; streamline workflows and automate AOT document generation.

Broker Flexibility

Trade with any broker-dealer or platform supporting API connectivity, including major dealers like Fannie Mae.

No Additional Fees

Available at no extra cost to CompassEdge users.

Market-Leading Integration

CompassEdge empowers lenders with a streamlined, accurate, and flexible trading experience.

- Execute trades faster and more accurately
- Prevent costly errors and rework
- Choose the best broker without leaving CompassEdge
